

The Meeting of the Mayor and Council of the Borough of Freehold was held on Monday, June 3, 2019 at 7:00 p.m. in the Municipal Building.

Mayor Higgins stated that the notice of the time, date and location of the meeting had been provided pursuant to the provisions of Chapter 231 of the Laws of 1975 (Open Public Meetings Act).

Councilman DiBenedetto opened the meeting with the Salute to the Flag, followed by a moment of silence.

ROLL CALL

PRESENT	MAYOR J. NOLAN HIGGINS
PRESENT	COUNCILMAN MICHAEL DIBENEDETTO
PRESENT	COUNCILWOMAN ANNETTE JORDAN
PRESENT	COUNCILMAN KEVIN KANE
PRESENT	COUNCILWOMAN MARGARET ROGERS
PRESENT	COUNCILMAN GEORGE SCHNURR
PRESENT	COUNCILWOMAN SHARON SHUTZER

Mayor Higgins read Item No. 4 on the Agenda as follows:

“Approval of Minutes: Council Meeting May 6, 2019.”

Councilman DiBenedetto offered a motion to accept the minutes and was seconded by Councilwoman Rogers:

On roll call Council Members DiBenedetto, Jordan, Kane, Rogers, Schnurr and Shutzer voted its adoption; opposed none; abstain none; absent none. Mayor Higgins declared the motion adopted.

Mayor Higgins read Item No. 5 on the Agenda as follows:

“Presentation of the Memorial Day Parade Awards (Alice McCobb).”

Mayor Higgins introduced Memorial Day Parade Committee Chairperson, Alice McCobb and Co-Chair Amanda McCobb. Councilman Schnurr and Ms. McCobb recognized the 1st and 2nd Place winning units in each category from the 2019 Memorial Day Parade. Ms. McCobb awarded Howell High School with the traveling trophy and tee shirts for having the most students volunteer at the parade.

Councilman Schnurr thanked Alice McCobb and Amanda McCobb for their hard work throughout the year. He also thanked Colts Neck NJROTC for their assistance at the service at Elks Point.

Mayor Higgins thanked the Parade Chairwoman, thanked her for taking the project on and stated this was the best parade ever. He recognized all the units that participated and acknowledged the American Legion on their 100th Anniversary and the work all Veterans they have done. Mayor Higgins recognized the Centennial Committee for their work on the float, Jim LaPointe for making the buildings and everyone that helped decorate.

Mayor Higgins read Item No. 6 on the Agenda as follows:

**“Proclamation of the Mayor and Council of the Borough of Freehold
Declaring the Month of June Freehold First Aid Fund Drive Month.”**

Councilwoman Shutzer presented the Proclamation to Freehold First Aid Officers Bill Madden and Jim McAllister. She stated it is important to support the First Aid and hoped everyone participates in the drive.

Mr. Madden thanked the Mayor and Council and detailed the fundraising done by the volunteer organization. He explained the changes that have taken place with state funding and expressed the need for donations.

Mayor Higgins read Item No. 7 on the Agenda as follows:

**“Resolutions of the Mayor and Council of the Borough of Freehold Honoring
Mary-Elaine Smith Tashjian, Bruce Carney, Patrick Preston and Jason Mumford on
the Occasion of Their Induction into the Freehold High School Hall of Fame.”**

Councilwoman Shutzer offered the following resolution and moved its adoption, seconded by Councilwoman Jordan:

RESOLUTIONS OF THE MAYOR AND COUNCIL OF THE BOROUGH OF
FREEHOLD HONORING MARY-ELAINE SMITH TASHJIAN, BRUCE
CARNEY, PATRICK PRESTON AND JASON MUMFORD ON THE
OCCASION OF THEIR INDUCTION INTO THE FREEHOLD HIGH SCHOOL

“Approval of Bills.”

Councilman Kane offered the following Resolution and moved its adoption, seconded by Councilman DiBenedetto:

BE IT RESOLVED by the Mayor and Council of the Borough of Freehold that the bills on the attached list in the amount of \$2,790,840.21 be paid as presented.

On roll call Council Members DiBenedetto, Jordan, Kane, Rogers and Schnurr voted its adoption; opposed none; abstain Shutzer (#47575); absent none. Mayor Higgins declared the motion adopted.

Mayor Higgins read Item No. 23 on the Agenda as follows:

“Presentation of the GIS Program of the Water & Sewer Network to be Provided by Mott MacDonald.”

Borough Administrator, Joseph Bellina explained the need for a GIS System arose from several water leaks. He introduced Mr. Brian Doherty from Mott MacDonald.

Mr. Dougherty gave a Power Point presentation explaining the GIS System (Geographic Information System), which is an electronic map paired with a data base to give it some intelligence. Mr. Dougherty explained the project drivers and having the maps on site allows crews to respond to emergencies in a timely, efficient manner. He added another driver is regulatory compliance which includes identifying, locating and inspecting valves and hydrants in the system and making sure they operating properly. Mr.

Dougherty stated there are approximately 850 valves resulting in 250 valves that have to be inspected annually. He explained GIS gives the ability to store inspection information in the data base to ensure compliance.

Mr. Bellina stated hydrants are flushed twice a year and stated the system helps with that as well.

Mr. Dougherty stated the more information obtained, the faster decisions can be made and the better it is. He reviewed the four major steps of the project; field survey, development of GIS, deployment and training. Mr. Dougherty explained the survey did not just include the water utility, but the all three utilities. He stated the project status is complete with online access, applications are loaded on iPads and conducted training with staff. Mr. Dougherty stated GIS is constantly changing and the system makes it easier to update mapping and keep information current.

Councilwoman Jordan asked if changes are made in the field or by Mott MacDonald.

Mr. Dougherty explained mapping changes can be made by the Water Dept. employees or they can flag issues and work with Mott MacDonald. He reviewed the tablets and explained how they will be used.

Borough Attorney, Kerry Higgins stated there have been issues in the past with and looking for maintenance records or locating mark outs has been a problem. She stated the infrastructure is over 100 years old and things aren't always where you think they are.

Mr. Dougherty explained as mark outs are taken they can be added to the map and records are updated and organized.

Councilman Schnurr asked if this system could be used in court.

Ms. Higgins stated yes, and added it would be good to have reliable data available. Ms. Higgins asked what the training is for the workers.

Mr. Dougherty explained it depends on their interest and previous computer experience.

Mr. Bellina stated the WQAA needs to be inventoried and checked at various points and this system will record everything that is done in the event DEP wants a compliance report.

Mr. Dougherty reviewed; how the information is available through a log in, the number of iPads and the online dashboard access. He explained the hydrant flags, valve counts and reported it is roughly 40% complete.

Councilman DiBenedetto asked based on his experience in other towns, what is the percentage of pipes that are missed.

Mr. Dougherty stated the information is gathered from the base maps provided and the valves are physically located. He stated unless there is an accurate mark out there could be something that is missed. He added he could not provide a percentage.

Councilman DiBenedetto recounted previous times a main has ruptured and there was a lot of water lost because valves could not be located.

Dougherty stated that is why the regulators want to ensure everything is in working order and all equipment is able to be located.

Councilman DiBenedetto asked if hydrant locations could be loaded into the Firetruck GPS so the firemen can locate them quicker.

Mr. Dougherty stated yes, it can all be exported from the database.

Ms. Higgins asked what the procedure is to notify Mott MacDonald of any infrastructure that was missed and not on the original maps.

Mr. Dougherty stated a Map Change Request would be submitted by highlighting the area where the change needs to be made.

Mr. Dougherty was thanked for his presentation.

Mr. Bellina stated the design and permitting is in the final stages for the water plant before financing is sought. He estimated mid-September Mr. Dougherty will be brought back to report on the other holding plant and how it works.

Mayor Higgins stated the water system is old and this project was started a year ago. He added this system will be updated continually and will be a fantastic tool for the Public Works Departments.

Mayor Higgins read Item No. 24 on the Agenda as follows:

“Clerk – Late Communications.”

There were none.

Mayor Higgins read Item No. 25 on the Agenda as follows:

“Public Comments”

Mr. Jim McAllister, 106 South Street, stated the GIS System is a great thing and stated crime can also be mapped to assist the Police Department, as well as street lamps or anything. He stated he is glad to see the municipality moving forward with it.

Mr. Rob Kash, 8 East Main Street, Metropolitan Café stated

“I am here to talk about the application for the off premise parking. On a prior application, the same applicant stood before you and testified to a plan that many of us said would never work. It was resolved with certain expectations and operations would occur and then an ordinance was written as to allow this plan. Now when someone is sworn before you, the expectation is they are telling the truth or in this case, the testimony could be what you want to hear because it will never be enforced anyway. Things like the number of valets, someone directing traffic, mandatory valet on all invitations and signage in sharing the lots with other clients of the same valet company were all expected. So we now know that this is not happening. Here we are again with the same applicant, using an ordinance that was specifically written for that particular plan and using that same ordinance for what has amounted to not a plan at all, the new plan. This time the testimony given was not about specific movements or plans of operation. This time it was simply about parking spots that are available to the applicant. Well, this time under oath, besides being given a plan that won't work considering car movements, signage and convenience, but more importantly this time you were just lied to. As fact finders, a simple site inspection will show you the number of spots available at the Habitat location was grossly exaggerated. The auto-body shop is not only for sale but the parking there is completely and fully grossly exaggerated as far as the number of spots available, especially in a self-parking situation and they are not accessible at all to the public. You have to go down a one- way street, all the way around and park behind a fence behind a massage parlor. Further, the attorney for the applicant decided to testify and said that the lot that they already have is not necessarily a valet lot and I know specifically that it called for valet. I guess all I am asking here is when someone does come before you with an application, I understand that a professional review's it, but it is only a block and half away. That night I went and drove there and was able count the spots myself. It's just shocking that somebody stood before you and lied by approximately 30 spots.”

Mr. Jeff Friedman, Executive Director of Freehold Center Management Corporation, thanked Mayor and Council for passing the SID Budget and stated he will provide the Clerk with the required annual report. Mr. Friedman encouraged everyone to attend the first Thursday Rocks Concert.

Mayor Higgins stated the report will be accepted into the record.

Councilwoman Shutzer made a motion to close Public Comments, seconded by Councilwoman Jordan.

On roll call Council Members DiBenedetto, Jordan, Kane, Rogers, Schnurr and Shutzer voted its adoption; opposed none; abstain none; absent none. Mayor Higgins declared the motion adopted.

Mayor Higgins read Item No. 26 on the Agenda:

“Council Comments”

Councilman Schnurr reported earlier he attended an awards ceremony at the school and stated it was great the people and programs get acknowledged. Councilman Schnurr announced the Library Newsletter is available. He stated the Reexamination of the Master Plan will be an ongoing effort with Group Melvin and added it is an exciting time.

Councilwoman Rogers did not have any comments

Councilwoman Shutzer reminded everyone of the Primary Election and expressed how wonderful the Memorial Day Parade always is and thanked the committee. Councilwoman Shutzer stated she served on the Centennial Float Committee along with Councilwoman Jordan. Councilwoman Shutzer reiterated that she is not against encouraging new business in town, but she feels new business cannot be encouraged at the detriment of the existing businesses. She stated she was not satisfied with the parking plan of the current applicant.

Councilman DiBenedetto thanked everyone for attending the meeting and congratulated Ms. McCobb on a great parade and Councilman Schnurr on the ceremony. Councilman DiBenedetto congratulated the parade winners and thanked them for participating. He congratulated the McGackin Award recipients.

Councilwoman Jordan announced the Human Relations Committee will hold a Community Walk on June 29th and detailed the day's events.

Councilman Kane congratulated the Memorial Day Parade Committee on an exceptional event and service at the Point. Councilman Kane announced the Participatory Budget Committee is hosting an event at the Park Avenue School Media Center which will bring the NJ League of Municipalities and the Participatory Budgeting Project in NYC to present an education on how it works. He stated the committee secured funding through Robertwood Johnson Foundation to hold an education initiative throughout the state in conjunction with the Geraldine Rockerfeller Dodge Foundation. He stated the doors open at 6:30 PM and the project is taking proposals on line.

Mayor Higgins stated the Downtown summer events are starting thanked the Downtown Freehold team for the efforts.

Councilwoman Shutzer offered a motion to adjourn, seconded by Councilman DiBenedetto.

On roll call Council Members DiBenedetto, Jordan, Kane, Rogers, Schnurr and Shutzer voted its adoption; opposed none; abstain none; absent none. Mayor Higgins declared the motion adopted.

The meeting was adjourned at 8:25 PM.

Respectfully Submitted,

A handwritten signature in blue ink, reading "Traci L. DiBenedetto". The signature is written in a cursive style with a horizontal line underneath the name.

TRACI L. DIBENEDETTO, RMC
BOROUGH CLERK
